

Kate's Closet... at Piano

For my Letterkenny Post debut modelling assignment, I sheepishly took a trip down to Piano, a stylish boutique on Letterkenny's Oliver Plunkett Road. While there the lovely Hilary very patiently suited and booted me in some of Piano's new Autumn and Winter 2005 Collection.

First Outfit

This coat has quality written all over it. While comfortable, it dresses up a casual outfit, whilst keeping you snug. The frill edged scarf blends beautifully with the green and cream pattern of the coat, while the green fine knit top, adds a subtle, yet eye-catching element to the outfit. These well-cut jeans from Jackpot are extremely soft on the skin and are complimented by these beautiful brown suede shoes by Marc O' Polo.

Beautiful green and cream belted coat with Kelly Green Print by Part Two - €210

Frill edged scarf by Part Two - €30

Soft denim jeans by Jackpot - €100

Green fine knit top with button detail by Part Two - €45

Brown suede shoes by Marc O' Polo - €125

Ring by Pilgrim - €21.50

Second Outfit

I like the maroon tweed trousers because they're comfy, warm and ideal for the approaching autumn. The white shirt is a striking contrast to the maroon coloured v-neck tank top, and is an ideal outfit for the office. The jewellery is pretty funky too and again dresses the outfit up a bit.

Marc O' Polo tweed maroon trousers - €125

Marc O' Polo deep V-neck tank top - €65

Marc O' Polo white cotton shirt - €55

Necklace by Pilgrim - €97

Bracelet by Pilgrim - €47

Ring by Pilgrim - €26.50

Piano stocks clothes from Inwear, Part Two, Marc O' Polo, Sandwich, Day and Jackpot. All jewellery is by Pilgrim and Marc O' Polo shoe and boot ranges are now in stock.
